

Dorothy Mae Hall Women's Center Diaper Project

DMHWC's DIAPER PROJECT

Provides families in financial distress with an adequate supply of diapers for their infants and toddlers. Volunteers work with churches, businesses, schools, civic groups, and organizations to collect diapers for distribution at Dorothy Mae Hall Women's Center. Diapers are a basic need for children, as essential to their health and well-being as food, shelter, and a parent's love.

HOST A DIAPER DRIVE

Diaper Drives can be hosted by businesses, schools, congregations, civic groups, and neighborhoods. They are a great way to get youth and children involved in community service. Donations from diaper drives are essential to DMHWC's Diaper Project's ability to serve hundreds of babies.

DONATE YOUR MONEY, YOUR TIME OR DIAPERS

To donate your time, contact Dorothy Mae Hall Women's Center at 919-371-8523 or @ info@dmhwc.org
